INTRODUCTION

DFK International is a major international association of independent accounting, tax and business advisory firms that has been meeting the needs of clients with interests in more than one country for over 50 years. The association has over 400 offices across the world. Each DFK member is an independent legal entity in its own country. A grouping of members who include DFK in their firm's name are classified as network firms in compliance with EU and IFAC requirements and shown as such in this directory.

Whilst member firms have their own cultures, reflecting their local business environment, their partners share:

- Enthusiasm for fully understanding client objectives and delivering effective advice.
- Dedication to providing personal and timely services through experienced advisers.
- Commitment to achieving consistent professional and ethical standards.

DFK International creates special value for clients with cross-border interests. DFK member firms working together enjoy effective cooperation across the world resulting in the ability to deliver international services on time and at a competitive cost.

Typical cross border services include:

- Audits for groups of companies.
- Accounting services for foreign subsidiaries and consolidation support.
- Tax planning and advisory services internationally.
- Internal audits for international operations.

A designated local Contact partner for every assignment is responsible for ensuring that each client receives the responsive and flexible service they would expect from a local firm. This local expertise is supported by the shared resources and experience of more than 10,000 staff.

DFK International is growing, but only recruits firms that can demonstrate the same commitment to delivering high quality advice and excellent service delivery as that of existing members.

INTRODUCTION

DFK International est une association importante de cabinets indépendants d'expertise comptable, de conseil fiscal et de conseil en entreprise, qui accompagne depuis plus de 50 ans leurs clients intervenants dans plusieurs pays. Ce regroupement dispose actuellement de plus de 400 bureaux dans le monde. Chaque membre DFK est une entité locale indépendante à l'exception de ceux qui incluent DFK dans leur raison sociale et qui sont ainsi membres d'un réseau tel que défini par les règles de l'Union Européenne et de l'IFAC. Ils sont identifiés en tant que tels dans cet annuaire.

Les cabinets membres du réseau possèdent chacun leur culture, reflet de leur propre environnement, mais leurs associés partagent plusieurs valeurs :

- L'enthousiasme qui permet la pleine compréhension des objectifs de leurs clients et une prestation de conseil efficace.
- La volonté d'offrir des services personnalisés et opportuns avec des collaborateurs spécialisés.
- L'engagement de respecter partout les mêmes normes professionnelles et éthiques.

DFK International apporte une valeur incomparable à tous les clients et notamment à ceux dont les activités sont situées dans plus d'un pays. Les cabinets membres s'appuient sur la richesse du réseau mondial pour assurer des prestations de services dans les délais prévus et à un coût compétitif.

Les services offerts à l'international sont entre autres :

- L'audit des comptes de groupes et de sociétés.
- Les services comptables de filiales étrangères et l'assistance à la consolidation.
- La planification fiscale et les services de conseil y compris au niveau international.
- L'audit interne pour les activités internationales.

Pour chaque mission, un associé est choisi au plan local comme interlocuteur privilégié, avec la responsabilité d'assurer à chaque client le service souple et réactif qu'il est en droit d'attendre d'un cabinet local. Cette compréhension de l'environnement local s'appuie sur un partage des ressources et de l'expérience de plus de 10,000 collaborateurs.

DFK International est en expansion et exige de ses nouveaux adhérents le même engagement à offrir une qualité de conseil et une excellence de services à hauteur des mérites et compétences des membres présents dans son réseau.

EINFÜHRUNG

DFK International ist ein bedeutender internationaler Verbund von unabhängigen Wirtschaftsprüfungs- und Steuerberatungskanzleien und Unternehmensberatern und nimmt sich seit 50 Jahren der Bedürfnisse von Mandanten an, die in mehr als einem Land geschäftlich engagiert sind. Der Verbund umfasst heute mehr als 400 Büros weltweit. Jedes DFK-Mitglied ist ein rechtlich selbständiges Unternehmen in seinem Land. Einzelne Mitglieder, bei denen die Bezeichnung „DFK“ Bestandteil ihrer Firmierung ist, werden als Netzwerk in Übereinstimmung mit den Anforderungen der EU und der IFAC betrachtet und sind als solche in diesem Verzeichnis kenntlich gemacht.

Während alle Mitgliedsfirmen ihre eigene Geschäftskultur pflegen, die ihr örtliches wirtschaftliches Umfeld widerspiegelt, sind alle Partner gleichermaßen:

- mit Enthusiasmus darum bemüht, die Ziele ihrer Mandanten vollständig zu verstehen und effektive Beratung zu bieten.
- mit vollem Einsatz dabei, wenn es darum geht, durch erfahrene Berater persönliche und zeitgerechte Leistungen zu erbringen.
- der Bewahrung anspruchsvoller beruflicher und ethischer Standards verpflichtet.

DFK ist für Mandanten mit grenzübergreifenden Interessen von besonderem Nutzen. Die an DFK beteiligten Mitgliedsfirmen pflegen eine wirksame Zusammenarbeit weltweit, die es ihnen ermöglicht, internationale Dienstleistungen zeitgerecht und zu konkurrenzfähigen Preisen anzubieten.

Zu den typischen grenzübergreifenden Tätigkeiten zählen:

- Abschlussprüfungen für Konzerne.
- Buchführungstätigkeit für ausländische Tochtergesellschaften und Unterstützung bei Konsolidierungsmaßnahmen.
- Steuerplanung und internationale Beratungsleistungen
- Interne Revision für internationale Geschäftstätigkeit.

Für jeden Auftrag wird ein verantwortlicher „Contact partner“ vor Ort bestimmt, der sicherstellt, dass jeder Mandant so individuell und flexibel bedient wird, wie er es von einer Firma vor Ort erwarten würde. Das örtliche Expertenwissen wird durch die gemeinsamen Ressourcen und Erfahrungen von mehr als 10.000 Mitarbeitern ergänzt.

DFK International wächst ständig, nimmt aber nur Firmen auf, die das gleiche Engagement zeigen wie die bisherigen Mitglieder und die Beratungen und Dienstleistungen auf entsprechend hohem Niveau und von ebenso exzellenter Qualität bieten.

INTRODUCCIÓN

DFK International es una de las asociaciones más importantes a nivel internacional de firmas independientes de contabilidad, impuestos, auditoría y asesoría de negocios, que satisfacen las necesidades de los clientes con intereses en varios países con más de 50 años en el mercado. La Red cuenta actualmente con más de 400 oficinas en todo el mundo. Cada Miembro de DFK es una entidad legal independiente en su propio país. El grupo de miembros que incluyen en su nombre las siglas de DFK son clasificados como Firmas Network en cumplimiento con los requerimientos de EU y IFAC y que son mostrados en este directorio.

Mientras los socios de las Firmas tienen sus propias culturas, que reflejan su entorno de negocios local, sus asociados internacionales comparten:

- Interés por una completa comprensión de los objetivos del cliente y por dar un consejo eficaz.
- Dedicación para proporcionar servicios personales a través de asesores con experiencia.
- Compromiso para conseguir unos niveles éticos y profesionales de calidad.

DFK International crea especial valor para clientes internacionales. Las Firmas asociadas a DFK que trabajan juntas disponen de una cooperación eficaz en todo el mundo que desemboca en la habilidad para facilitar servicios internacionales a tiempo y a un coste competitivo.

Los servicios transaccionales más habituales incluyen:

- Auditorías para Grupos de Compañías.
- Servicios contables para filiales extranjeras.
- Planificación de impuestos y servicios de consultoría internacional.
- Auditorías internas para operaciones internacionales.

Un Socio de Contacto designado localmente para cada trabajo es responsable de asegurarse de que cada cliente recibe el servicio personalizado y eficaz similar al que esperarían de una Firma local. Este conocimiento local está apoyado por los recursos y la experiencia compartida por un equipo formado por más de 10,000 personas.

DFK International está creciendo, pero sólo recluta Firmas que puedan demostrar un compromiso en dar un asesoramiento de alta calidad y servicio al mismo nivel que el resto de los despachos asociados.
